PhD Student in Economics

January 2021 – Present

Indira Gandhi Institute of Development Research (IGIDR), Mumbai

Affiliated under the Reserve Bank of India

Thesis Title: Mergers, Efficiency, and Market Power: Three Essays In Banking And Finance

Supervisors: Prof. Subrata Sarkar, Prof. A. Ganesh Kumar

Committee Member: Prof. K.V. Ramaswamy

Research Interests

My research lies at the intersection of banking and corporate finance, where I apply microeconomic theory and empirical methods to understand financial institution behavior, market structure, and efficiency. I am also deeply interested in macro-finance and monetary policy, particularly their implications for banking sector performance and financial stability.
